Tailored and Flexible in-house training for your business

Interested in making your business more accessible for deaf customers and employees? We can help.

1 in 6 people in the UK have some form of hearing loss, including 2 million people who use hearing aids and more than 800,000 who are severely or profoundly deaf.

SignUp BSL is an Exeter-based sign language training company. Our vision is of a society where deafness is not a barrier to independence, achievement or fulfilment. Our goal is to contribute to a more equal society with improved access for Deaf people by offering high quality, flexible and fun training in BSL and Deaf Awareness.

Courses

We offer tailored, competitive in-house training to suit most businesses, including:

- BSL Taster Sessions
- Deaf Awareness Training
- Signature Unit 101: accredited introduction to BSL
- Signature Level 1 and Level 2 qualifications

“SignUp BSL’s Deaf Awareness course was very useful to improve our knowledge of deafness and to make it easier to understand and communicate with deaf people... We will be rolling out more deaf awareness training to our staff.”

INTERSERVE, EXETER

BSL stands for British Sign Language. It is the first or preferred language of thousands of deaf people in the UK and is recognised as an official British language.

About Signature BSL Qualifications

Signature is a leading UK awarding body for British Sign Language Qualifications.
